

**NO US/NATO WAR WITH RUSSIA!**

**NO WORLD WAR 3!**

**IT'S *THIS SYSTEM*, NOT HUMANITY, THAT  
NEEDS TO BECOME EXTINCT!**

**WE DON'T ACCEPT *THEIR* FUTURE! IT'S TIME  
TO GET ORGANIZED FOR A REAL REVOLUTION**

**Revolutionary Internationalist May Day 2022**

**SUNDAY, MAY 1, 2PM**

**Gather at Wilshire & Alvarado**

**(Near Westlake/MacArthur Park Metro Station)**

**...then *MARCH!* Followed by Rally and Picnic**

Today, as Russia invades Ukraine and the US marshals its allies in NATO to wage a proxy war—with the real threat of a “shooting” war between these superpowers and *even a nuclear holocaust of the whole planet...* the people must act.

Join with us to march on May 1 as we sound the alarm and say:

**NO US-NATO WAR WITH RUSSIA! NO WORLD WAR III!**

Today, as this war—along with the intensifying destruction of the environment—threatens the very existence of humanity, *and...*

as the police murders and repression continue...

as the Supreme Court moves to end the right to abortion, and

as new horrors face immigrants...

as a fascist threat gathers and aims to seize the main machinery of repression...

the people must act.

This war and these other horrors are all products of a *system* – the system of capitalism-imperialism.

Join with us to march on May 1 as we point to the cause *and* to the solution, and say:

## **IT'S *THIS SYSTEM*, NOT HUMANITY, THAT NEEDS TO BECOME EXTINCT!**

The revolutionary leader and thinker Bob Avakian has recently said that “humanity can not afford any longer to allow these imperialists on either side to rule the world and battle over who will dominate in this situation with the very real and dire threat this poses to the future and even existence of humanity.” And he has made the point that while we do face the real prospect of something really terrible in the situation today, “it is also possible that we could wrench something really positive out of it—revolution, to put an end to this system and bring something much better into being.”

Today, as all this looms, we dare to say:

## **WE DON'T ACCEPT *THEIR* FUTURE – IT'S TIME TO GET ORGANIZED FOR A REAL REVOLUTION**

Join with us on internationalist May 1 to learn more about this revolution, to start to get active, and to build the organization we need.
